

CHROMEBOOK RESPONSIBLE USE POLICY

Upon signing this policy below, I attest to the following:

1. I agree to follow all aspects of the Technology Use Policy as delineated in the TTCA Student and Family Handbook. I further agree that I will submit to the policies contained within the Chromebook Handbook. In general, I agree to act responsibly and thoughtfully when it comes to using technology. More specifically, I agree that I will not access, attempt to access, or share content from the internet that is detrimental to me or to others or that violates the standards of the Christ-centered education at TTCA.
2. I understand that all technology use (including, but not limited to, the use of a Chromebook, personal or school-owned mobile devices, computers, and phones) is subject to the discipline policies at TTCA. Violations of the Technology Use Policy, the Student Handbook, and any other policies regarding technology, whether oral or written, may result in disciplinary consequences.
3. I understand TTCA policies regarding financial liability for misuse of school resources. I further understand that Chromebook insurance will be provided through the school. I understand that insurance only covers accidental damage. With each insurance claim, I understand that I am liable for the deductible as explained on the Insurance Claim Form. I further understand that damage due to irresponsibility is not considered accidental and in such cases, I am then responsible for the full cost of repairing or replacing the Chromebook. I realize that the extent of needed repairs will be determined by the TTCA technical support staff.
4. I understand that if the Chromebook should become damaged or lost, then I must immediately report such damage or loss to the TTCA office or technical staff.
5. I understand that I must return the Chromebook to the school on my last day of enrollment for the school year. Further, I understand that I and my family are subject to a \$50 fine if the Chromebook, and all related equipment, is not surrendered to the school within seven (7) days of my disenrollment and that an additional \$50 fine will be assessed every thirty (30) days thereafter. Failure to return a Chromebook constitutes theft of school property and exposes the student and/or family to potential legal penalties.
