CHRISTIAN ACADEMY

## Information for Prospective Faculty

---

- ✓ Twin Tiers Christian Academy is a private, Christian school for students in grades 5-12.
- ✓ TTCA is accredited by both the Association of Christian Schools International (ACSI) and the Middle States Association Commission on Elementary & Secondary Schools (MSA).
- ✓ The school is also registered with the NYS Education Department which means that our students graduate with NYS-recognized diplomas.
- ✓ TTCA is a ministry of the Breesport Baptist Church. Breesport Baptist is an exciting and growing ministry that is reaching our community and impacting the world for Christ.
- ✓ The school is located on a relatively new campus built in 2014 and in the beautiful “Finger Lakes” region of south-central New York. We are in the Town of Horseheads and the hamlet of Breesport, near Corning and Elmira, and just off Interstate 86.
- ✓ All teachers are expected to be certified by ACSI or willing to obtain such certification.
- ✓ All teachers are expected to faithfully attend an evangelical church in our area.
- ✓ At TTCA, we construct our own curriculum while we use textbooks from Bob Jones University Press, ABeka Books, and various secular publishers.
- ✓ Faculty are supported in their effort to further their own education. Most faculty hold graduate or post-graduate degrees.
- ✓ The school is a member of the NY-PENN Christian Athletic Conference. As such, our students compete interscholastically in soccer, cross country, volleyball, and basketball. Students are also involved in the arts by way of our choirs, orchestra, and spring drama.
- ✓ According to a survey by the Baptist Christian School Association of NYS, TTCA ranks among the top in Christian school salary and benefits for our region. Included in the benefit package is free tuition for school-age children and matching 401K contributions.
- ✓ Over the years, there has been a low turnover among our staff. Teachers have found TTCA a great place to minister and our area a welcoming location to raise a family.
