

## Summer Reading Bingo Boards (Optional, but rewards available)

**Directions:** Complete a full row of BINGO—vertically, horizontally, or diagonally—with the required evidence to earn both individual and class rewards (details on the back). Be sure to read the instructions for each activity carefully so you know what kind of evidence is needed. Since this is a bonus challenge, each box must be completed at a different time during the summer—**no doubling up! Each activity can only count for one box per instance.**

**Grades 9-12: *The challenge begins June 13th.***
